

Celebrating 35 years of Quality Education

The International School of IITA

For over 35 years, The International School of IITA has been providing quality education to children of all nationalities.

IITA School accepts all children from 3–12 years.

IITA School provides a safe, friendly atmosphere for children to learn.

The children benefit from small classes and excellent resources.

The School is a member of the Council of International Schools (CIS).

Computers— there is a modern computer room and each class also has its own PC.

Science— the children benefit from a fully equipped science room and specialist teaching.

Sports— many sports are available including swimming and tennis.
